From The Vicar:

"Prepare the way of the Lord"

-Matthew 3:3

Job's comforters could not bring him comfort. They could talk about the consolations of God, but something was lacking. Simeon's comfort sprang out of the promise that he would see the Christ before he died. He awaited eagerly the coming of the one who would redeem Israel and bring hope to the people.

The word "advent" is derived from the Latin verb *advenio*, "to come," and in the Christian year it refers to the coming of Jesus Christ. Advent reflects a double significance: this season of joy looks backward and forward. It recalls the coming of Christ as God's love broke in on earth, never to fade away. It anticipates Christ coming again to judge mankind in awesome power and victory.

Advent's stirring message challenges us to fulfill John the Baptist's plea, "Prepare the way of the Lord." This call implies self-examination on our part. Are we ready to receive Christ our Lord?

This Advent mood of self-examination embraces four Sundays prior to Christmas Day. It culminates in the joyful festivities of Christmas. It's our prayer that the expansive heart, the note of joy, and the awe of the Bethlehem birth should spread over the whole year.

Christmas is God's consolation of concern. We do not have an easy answer to the problem of suffering, but we do have this ultimate experience which carries us through it. We learn that in Jesus Christ, God is telling us that no man suffers alone. In the darkest hour, God suffers with us.

Christmas is God's consolation of love. Salvation doesn't lie in our being protected but in assurance that we are loved. If you're seeking a unique thing about Jesus Christ, find it here in the fact that without him men dared not believe in the love of God; but with him, they never could deny it. Christmas is God's consolation of power. We may turn the birthday of Jesus into a sentimental, passing experience, but that's only when we substitute worldly glitter for spiritual reality. He is the power to become, the power to conquer evil, and the power to wait. Down through the years, ordinary people like us have been overcoming the world in His strength.

To experience the birth of Christ is to be present at an explosion in which all the traditional categories that serve as walls between ourselves and others are blown apart. To have been at that manger would have been both a thrilling and a very insecure experience. It would have been insecure because of the categories of age, class, and nationality would have slipped from your grasp. Here, young and old, rich and poor, Jew and stranger were mixed in a new kind of human community – **God with us...Come Lord Jesus.**

Let us prepare the way.....Amen

A Message from the Council President

Three Notes and an Little Update

from Karen Wanamaker, Council President

- First, a heartfelt thank you to Missy Keller for her time as President. She was instrumental in helping to lead us through the fire to a beautifully restored church. Her hours of dedication to this congregation are truly appreciated. Please consider thanking her by following her request that everyone joins at least one committee. Many hands make light work.
- Second, Happy Holiday Season! From a Happy Thanksgiving to a Happy New Year, there are a lot of upcoming holidays. It's easy to stress out about all the to-do lists and the shopping, but remember to BE PRESENT. Be Present in your life, focusing on what is truly important. Be Present for your loved ones, sharing time with them. Be Present at work, doing what you are supposed to do rather than what distracts you. And most certainly, Be Present at your church, sharing with a community of believers who are all preparing for the celebration of the birth of our Savior.
- Third, check out the new bulletin board for Committee News in the back of the church in the hallway. **YOUR CHURCH NEEDS YOU!** We have a lot to do and not enough people volunteering. Please check this board often and help out where you can. Join at least one committee! **YOU CAN DO IT!** I have faith in you. We are ALL busy, so that is NOT a good excuse.

Council update:

Council met on November 8th. One of the biggest parts of our meeting is learning about what all of our wonderful committees have been up to since their last reports. We truly have a lot to be proud of with all the community engagement, LSO work, Social Ministry, the Jingle Project, etc. Internally, our property committee installed the new lights in the parking lot across the street and is preparing for an electric upgrade to our outside buildings. You will also notice that the lower parking lot has been repaved! Be aware of the new driving directions. Enter it at the lower end and drive towards the church. Our fundraising folks had a wonderful Pork and Sauerkraut night and are busy preparing for the Christmas Bazaar on November 18th. This is just a sampling of what is going on at Mt. Zion. Good things are happening. Make sure you're involved!

Happy Holidays to all including a very
blessed and Merry Christmas!

Redner's Save a Tape Program

IMPORTANT TIMELY REMINDER!!!

A reminder that as the end of the year is approaching, please turn in your Redner's register tapes. If not turned in in a timely manner, Redner's may not accept them.

Bring your register receipts from any Redner's Grocery Store. You will need to have a Redner's Loyalty shopping card for the receipt to qualify. We will receive a 1% cash back for the total of your receipt. Please put your receipts in the container on the table below the bulletin board in the rear of the sanctuary.

We ask that you place **ONLY** Redner's receipts in the container. Please **DO NOT** place other store's receipts in the container, Redner's will not accept them.

It's amazing how quickly the amount adds up and this is another simple and easy way to add funds to our treasury. **Thank you!**

From the Christian Ed Committee

Come, enjoy their special presentation that they have been working on so hard.

Looking forward to seeing you!

Upcoming Community Event!

Tuesday, December 5 - Theology with a Twist

Kutztown Tavern - 7 PM

A Kinder Church

Join us as we tackle the question, can the church be kinder? With our presenter, Rev. Dr. Steve Ohnsman, we'll look at how we are often our own worst enemy, and how we can change the way we are the church.

Steve is a graduate of Wilmington College of Ohio, Drew Theological Seminary in Madison, New Jersey, United Theological Seminary in Dayton, Ohio, and Alvernia University. Originally ordained as a United Methodist pastor, when Steve moved to Reading, PA he served as the chaplain at Albright College and transitioned to the United Church of Christ. Since 1999 Steve has served as the Senior Pastor of Calvary United Church of Christ. Steve also serves as an adjunct professor and mentors clergy and congregations, particularly those navigating their first call. Steve is married to Dr. Christina Ohnsman, and they have two grown children, Matthew and Rachel.

The event is free but food and drink can be purchased in the restaurant downstairs and brought up to our event space. Parking is available in the community lot behind the tavern or on Main Street. All are welcome!

New Christmas Tradition

Beginning December 1st read one chapter of the book of Luke in your Bible every evening. There are 24 Chapters. On Christmas Eve you will have read an entire account of Jesus' life and wake up Christmas morning knowing **WHO** and **WHY** we celebrate!!!!!!

In Deepest Sympathy

Our prayers and sympathies are with the family and friends of Randy A. Bailey who went to be with the Lord on October 27, 2023. May the message of the resurrection and the promise of Christ be of comfort for them.
